PROFESSIONAL SUMMARY

With over 16 years of experience as a web developer and programmer, I bring a wealth of expertise in designing and implementing innovative web solutions. Proficient in a diverse range of programming languages, frameworks, and technologies, I am skilled in both front-end and back-end development. My passion for clean, efficient code is matched by my commitment to delivering high-quality, user-centric experiences. Throughout my career, I have successfully collaborated with cross-functional teams to translate business requirements into scalable, robust web applications. With a strong focus on continuous learning and staying abreast of industry trends, I am dedicated to pushing the boundaries of what's possible in web development.
